

Patterson Heights Council Minutes
Workshop Meeting
August 1st 2012

Council members present: Mr. Starn, Mr. Evans, Mr. Bellan, Mr. Barsottini, Mrs. Barsottini, Mr. McGeary. Absent: Mr. Hocanson

Visitors: Tony Sadaka, 842 8th Ave. Mr. Sadaka stated he like all the new stop signs but was wondering if the borough was going to change the older one. Mr. Ely spoke on how the borough will be changing and painting all the poles and stop signs.

Mr. Barsottini explained how he believes the budget can be worked for next year to fit in the debt service for a borough wide paving program and storm sewer program.

Mr. Starn spoke on how the road paving project will be done. He also spoke on the grading system that Widmer did in their assessment. Mr. Bellan thinks this approach is a great idea.

Mr. Starn spoke on the sanitary sewer and the meeting he, Mr. Ely and Mr. Sadaka had with Beaver Falls. The borough has around 15,000 feet of sanitary sewer line that Beaver Falls will clean and tv at a rate of \$100 per hour.

Mr. Sadaka of Widmer spoke on Beaver Falls contract and also a drainage study that he believes needs to take place before any paving is done. The borough does not currently have any mapping for storm sewers.

Mr. McGeary made a motion to approve Widmer Engineering to do a drainage study at a cost not to exceed \$11,000, second by Mr. Starn. PASSED UNANIMOUS

Mr. Barsottini made a motion to have Beaver Falls televise and clean all sanitary and storm sewers, manholes and inlets at a cost of \$100 per hour, second by Mr. McGeary. PASSED UNANIMOUS

Mr. Starn spoke on trees that over hang in the boroughs right-away. Mr. Ely will send letters to the offenders.

Mr. Barsottini made a motion to hire Clayton McGeary at a rate of \$8.00 per hour to repaint the curbs yellow in the borough, second by Mrs. Barsottini. PASSED UNANIMOUS

Mr. Barsottini made a motion to adjourn meeting Mrs. Barsottini second....Motion passed @ 8:10pm
